Dear Mr. Farrell,

Wiregrass Habitat for Humanity would like to thank Heaven's Island for performing for our Holiday Gospel Concert. Your performance was wonderful! I appreciate all your hard work for which many doors have now been opened to Habitat through this event. I hope that you will consider participating in future concerts Habitat may organize.

Wiregrass Habitat for Humanity is a non profit Christian ministry dedicated to eliminating substandard housing. We work in partnership with people in need to build simple decent houses that are then sold to them at no profit through zero interest loans. Without businesses, churches, or individuals such as yours, we would not be able to continue our mission in the Wiregrass area. Thank you again for your continued support.

In Christian Partnership,

Sabrina Kirkland
